Dear Parent/Carer,

Re: Photograph Digital Media City Walk excursion

On Wednesday 15 June 2016, Year 10 Photography Digital Media students will have the opportunity to visit Sydney City to undertake a photographic study of architectural and cityscape forms.

The students will have the opportunity to take a variety of images and scenes of the city and its buildings and surrounds to use as inspiration for their final stage of their photography course. The students will also visit the State Library to view the World Press photographic work.

Students are required to meet their PDM teacher at Gosford station by 7.30am, as we will be travelling to the city by train. Our return time to Gosford station at the conclusion of the day will be around 4.30pm.

The cost of the day will be train fare (depending on concessions) which is usually just under $10.00. You will need to bring your concession card or opal card for this.

Students may purchase food and drink from Circular Quay, however it is advised that students bring their own food as it can be quite expensive and can be very busy. They will need to bring a camera and are to wear full school uniform including blazers and stockings, but may bring another bag.

Your daughter is required to return the permission slip to her teacher by Friday 10 June or before preferably.

If you have any questions concerning the day, please do not hesitate to contact the PDM teachers during school hours. Otherwise on the day you can contact Louise Nash on 0406006426; for instance if your daughter is unwell and unable to make the excursion.

Yours sincerely,
