Dear Parents,

A Year 12 Physics excursion has been organised for **Friday, 10th March 2017** to the **University of Sydney – School of Physics**. The excursion is designed to support studies of the ‘Motors and Generators’ and ‘From Ideas to Implementation’ core topic modules and consolidates understanding of Physics concepts, principles and experimentation studied during the course this year. The excursion also enables students to experience first-hand some of the mandatory course experiments they are required to study, especially practising overall ‘First hand Investigation Skills’.

The ‘Kickstart’ workshops are run as two separate **2.5 hour sessions** within the Physics laboratories where students view demonstrations or perform themselves 5-6 experiments under the supervision of post graduate physicists. More details can be obtained about the program by visiting the website: Kickstart physics – The University of Sydney

The following details will apply:

**Date:** Friday, 10th March 2017  
**Destination:** Sydney University – School of Physics (Broadway/Glebe area)  
**Transport:** Train from Gosford or Woy Woy station, by public bus and foot during the day and return journey by train from Central Station.  
**Cost:** $60 (billed from school student account) +train/bus fare  
**Dress:** Neat casual clothing, including a jacket in case of a change in weather and sensible enclosed walking footwear.  
**Equipment:** Clipboard, pens, pencils. (Worksheets to complete will be provided by the Faculty on the day).  
**Food:** Bring your own or use university food outlets nearby.  
**Depart:** 7.35 am (from Gosford train station) or 7.43 am (Woy Woy station)  
**Return:** Approximately 4.15 pm leaving Central Station to arrive back at Woy Woy (5.26 or 5.38 pm) or Gosford (5.34 or 5.46 pm). Students then make their own arrangements to travel home.

If there are any questions or concerns please do not hesitate to contact me on 4324 4022 at the college. My mobile number will be available from the office on the day of the excursion if you need to make contact regarding pick up details, specifics of the excursion experiences etc..

Could you please return the permission slip below to me by Friday 3rd of March to enable bookings to be finalised.

Thank you.

Yours faithfully,

Mr J Banovich  
Physics Teacher

Mrs A Eades  
Science Leader of Learning

---

**Permission slip:** Return to your Physics teacher.  
[SEE OVER PAGE]
Permission slip: Return to your Physics teacher.

I (PARENT/GUARDIAN) ___________________________ give permission for my daughter _________________ Homeroom Class: ______ to attend the Kickstart Physics Experience excursion on the 10/3/2017 (Friday).

PLEASE TICK

☐ I am aware that my daughter will be making her own way to and from the train station via public transport
   
   OR

☐ I or other family member (Name: ___________________________) will be driving my daughter to and from the station

☐  OR

☐ My daughter will drive herself to and from the station.

Signed: ___________________________ (Parent/ guardian)

Date:_______________________
