Dear Parents/ Carers,

The Wollotuka Institute has invited our Aboriginal and Torres Strait Islander Students in years 9 and 10 to take part in The Insight Day program at Newcastle University- Ourimbah Campus on the 22nd June.

Insight Days introduce students to the realistic possibility of studying at the University of Newcastle and provides specific advice on subject selection in preparation to enter a program. There is opportunity to connect with current Aboriginal and Torres Strait Islander University students and become familiar with the abundance of support provided by Wollotuka for Aboriginal and Torres Strait Islander University students. The girls will experience university life and have access to information about pathways to University.

All costs associated with the Insight Day including food and travel expenses will be covered by The Wollotuka Institute.

We will be travelling to the campus on the St Edwards school bus departing at 8.20am and returning to school at 2.50pm.

Could you kindly fill in the permission form below and return it to school as soon as possible to secure your daughters place. Should you have any questions or concerns please don’t hesitate to contact me.

Yours faithfully
