Dear parent/carer

Re: Year 10 Geography coastal beaches excursion

An excursion has been organised for your daughter to a variety of central coast beaches. This excursion is compulsory as the NSW Geography syllabus requires that all Stage 5 Geography students undertake mandatory fieldwork. Additionally, the fieldwork undertaken on this excursion will be used to complete their Research Action Plan assessment for the topic coastal management.

The excursion is run by the St Joseph’s Geography teachers and will involve a variety of fieldwork activities.

Please read the information below and return the permission note to your daughter’s Geography teacher by 8th March, 2017.

Date: 9th March 2016
Location: Central coast beaches
Dress: Sports uniform
Transport: Bus
Cost: Included in school fees
Departure: 8.45am from school. Students to attend homeroom roll call as normal
Return: 3pm

Students are advised to bring:
• A packed lunch, recess and water (in reusable containers)
• Pens to complete worksheets
• Clipboard
• Sun protection (hat, sunscreen, sunglasses)

Yours faithfully
