18th February 2014

Dear Parents/Carers,

An excursion has been organised for students studying year 11 Biology to the Mangroves at East Gosford on Monday 24th February.

The excursion is a mandatory field experience and all students are expected to attend. A list of the outcomes to be covered during the excursion is included on the reverse side of this excursion information sheet. The Biology students' first formal assessment task is based on an analysis of the data they collect during the excursion.

Date: Monday 24th February from Period 1 to Period 6
Destination: The Mangroves at East Gosford
Transport: Walk to the Mangroves over St Edward’s oval
Cost: nil
Dress: Appropriate mufti clothing is required to be worn and we ask that your daughter wears sand shoes to protect her feet and brings a hat and sun block for skin protection. It would be advisable to bring insect repellent as well.
Equipment: Pen, paper, clipboard and a water bottle
Food: Available from the school canteen or can be brought to school
Depart: From school drive way.
Return: To school drive way at about 2.45 am

We have selected this day for the excursion as low tide is mid morning on the 24th February

Permission notes are due back to the Biology teachers by Friday 21st February, 2013.

Mrs Eades
Mr Terry
Mr Banovich

__________________________________________
I give permission for my daughter ____________________________ to attend the Biology excursion to the Mangroves at East Gosford on Monday 24th February 2014. I understand that she will walk across St Edward's oval to the Mangroves and that she is required to wear mufti, sandshoes, and manage her own sun block protection and insect protection.
