Cost
$60 (high school student accounts) + transport fare

Transport
Train from Gosford to Woy Woy station, by public bus and foot during the day and return journey by train from Woy Woy Station

Venue
Sydney University - School of Physics (Broadway/Chapel area)

Date
Friday, 11th March 2016

The following websites can be accessed for more information about the program:

Visiting the website: Kickstart Physics – The University of Sydney

The University of Sydney - School of Physics

The support of past graduates is essential for the program of Physics workshops for Year 11 students. Therefore, we encourage you to visit the following websites for more information:

The Kickstart workshops are run as two separate 2.5 hour sessions under the supervision of post graduate students. These sessions provide an introduction to the fundamentals of physics and prepare students for the second year of the course. The workshops aim to give students an understanding of the concepts and principles of physics, and to develop their ability to apply these concepts to real-world problems.

Dear Parents,

Yours faithfully,

Thank you,

To be finished:

Could you please return the permission slip below to me by Friday 4th of March to enable bookings.

If there are any questions or concerns, do not hesitate to contact me on 4234 4025 at the office.

Yours sincerely,

Mr J Rountree
Physics Teacher
