26th October 2015

Dear Parents and carers

Year 7 Wet’n’Wild excursion 2015

Year 7 students will present their Connected Learning project on Tuesday evening 17th November. You will receive invitations shortly. Students have been working on the theme the wonder of water to develop their information and communication technology skills and satisfy outcomes in several subjects. We plan to complete this very successful program with an excursion to the Wet’n’Wild theme park in Sydney on Monday 7th December 2015. The excursion will provide students with an opportunity to celebrate their achievements with the team they have worked with throughout the year and indeed their entire year group.

Excursion details:
Travel: Students will travel to and from Wet’n’Wild 427 Reservoir Road Prospect by coach.
   Depart from college:  8.00 am Rolls will be marked at school at 7.45 am
   Return to college:  4.00 pm
Cost: The total cost of the excursion including coach travel is $57.00. Please complete the payment section on the excursion form.
Lunch: Students are to bring a packed lunch and water bottle(s)

Please note that students electing to bring a mobile phone on the excursion will be responsible for it at all times. Accompanying teachers will not take responsibility for mobile phones or any other valuables lost or damaged on the excursion. We expect all students to comply with the rules of Wet’n’Wild and the standards of behaviour set by the college and advise that students are required to observe the directions given by members of staff and other supervising adults at all times. We encourage all students to bring sunscreen and a rash vest.

Please complete and sign the attached documents:
1. Parent/carer excursion consent form and payment details
2. Medical information
3. Statement of swimming competency

Please sign and return all documents to your daughter’s Connected Learning teacher in her lesson during week 6 – Thursday 12th November for students in Barnes and Carroll, and Friday 13th November for students in Dewey, Lonergan, Raftery and Tacey. We know the students will have a wonderful day at Wet’n’Wild.

Yours sincerely

Dave Matthews
Year Leader

Helen M Love
Assistant Principal
