Dear Parents/Carers,

Re: Year 7 Reflection Days

In Religious Education your daughter is studying the unit Belonging to St Joseph’s Catholic College Community. Part of this entails an appreciation of the Josephite tradition and a sound knowledge of Mary MacKillop.

On March 3 core classes 7.1, 7.3 & 7.5 will visit Mary MacKillop Place in North Sydney where the students will tour the Museum. They shall also be spoken to by a member from the Columban Mission Institute. On March 4 core classes 7.2, 7.4 & 7.6 will do the same.

Students are to be at the college by 8am as buses will leave the college at 8.15 and students will return in time to catch buses home.

The girls are to wear correct summer uniform and take a pen and some paper. They should also bring morning tea and lunch from home. The cost of the excursion has already been included in school fees.

It should prove to be a wonderful day filled with learning and laughter. Please fill out and have your daughter return the permission slip below to her Pastoral teacher.

Yours faithfully,

Nicole Harrison
Religious Education Leader of Learning
St Joseph’s Catholic College

Permission Note: Please return to your Pastoral teacher asap

I give permission for my daughter ___________________________ of core class_____ to attend the excursion to Mary MacKillop Place on March 3 or 4 2016

Signed_____________________________________
