Dear parent/carer

**Re: Year 10 History excursion to the Sydney Jewish Museum - visual recording**

As advised in previous correspondence on 24th February 2017, your daughter will be attending the Sydney Jewish Museum in Darlinghurst. The museum has contacted the college to request that students on this excursion be part of a recording for the ABC. The recording will focus on the Holocaust survivor who will share his story with our Year 10 students. Students will be recorded listening to his presentation and as they ask him questions relating to his life. This footage may be used in the final production of this ABC program on Holocaust Survivors.

If you do not wish your daughter to be recorded for this purpose, please complete the following form and return to your daughter’s classroom History teacher. Please note that your daughter will sit at the side of the room during the filming away from the cameras and voice recording equipment and will continue to be under full supervision in the room.

Yours faithfully

Mrs A McArdle
Leader of Learning HSIE

I **DO NOT** give permission for my daughter ........................................ of homeroom class .......................... to be filmed and recorded at the Sydney Jewish Museum.
