

Information regarding Dance Troupe

Further to our Permission Slip request provided to your daughter last week the College has decided to waive all costs associated with the hire of an external dance instructor. This cost will be covered by the College directly. We understand that dancing is an expensive pursuit outside school and we did not want to discourage dancers for financial reasons. Ideally, we want to attract the best dancers in the College and field a high standard, competitive troupe at eisteddfods and we are mindful that the extra cost might be a barrier to some talented dancers joining the troupe.

The College has agreed to cover these costs as we acknowledge that this performance troupe will benefit the College, within our community and at our College events, so are happy to encourage our dancers to be involved and committed to showcasing some of the wonderful talents our students possess.

The only cost associated with the dance troupe will be a hire fee for the costume each time your daughter performs. This will be a nominal amount to cover the purchase, cleaning and upkeep of the dance performance outfits. Depending on what costuming is arranged you may need to supply tights, shoes and other personal items for performances.

If you have already paid for Semester One Dance Troupe your money will be returned to you today. Please have your daughter collect your payment from the College Business Manager, Nicole Murphy.

The commitment to this group would involve practices on Thursdays arriving at 7.30am to dance from 7:45am until 8:45am. Practices will be held in the dance studio at the College and appropriate dance wear is to be worn. The first evening competition is on May 16th at Gosford High School. If you would like your daughter to participate in the Dance Troupe please sign the permission slip below.

If you have any question or concerns regarding the Dance Troupe please contact Janelle Bartholomew (Leader of Learning – PDHPE) or Nicole Murphy (Business Manager) for more information.

.....

Student's Name: _____ Year: _____

I hereby give permission for my daughter to participate in St Joseph's Catholic College Dance Troupe. I understand practices will be held before school each Thursday morning and am confident my daughter can commit to these sessions.

I understand that she will be competing at Gosford High School on the evening of May 16th 2014.

Signed: _____
